Access Link & Learn Taxes

Hello,

Welcome to the Electronic Tax Software Practice Lab for VITA/TCE volunteers. When you enter this site, you will be able to prepare tax returns to practice what you just learned in Link & Learn Taxes. We recommend that you review the problems and exercises contained in Publication 4491 W, Voluntary Income Tax Compliance Problems and Practice Exercises. These problems and exercises were specifically designed to cover the types of tax situations that VITA/TCE volunteers encounter at their volunteer sites.

To access the practice lab enter below the password you received from your site coordinator. If you do not know the password please contact your site coordinator or local IRS Relationship Manager.

If you are not currently a VITA/TCE volunteer and would like to become one, please click here to get started: <https://www.irs.gov/irso/IRS-Tax-Volunteers>. Your information will be forwarded to sponsor partners in your area for further contact. You will be contacted within 2 weeks after you have submitted your information.
